Statement on Compliance with the Packaging and Packaging Waste Regulation (PPWR)

The purpose of this statement is to provide our customers with information regarding compliance with Regulation (EU) 2025/40 on Packaging and Packaging Waste (PPWR) in relation to the packaging materials used by our company. The Regulation has been applicable since 12 August 2026 and establishes requirements for packaging placed on the market within the European Union.

Our company does not develop or manufacture the packaging materials it uses. Instead, these materials are sourced from qualified and approved suppliers.

For the packaging materials used by our company, we have obtained the relevant declarations, confirmations, and/or certificates of conformity from our suppliers. Based on these documents, the respective suppliers confirm compliance with the PPWR requirements applicable to them.

This statement is based on the information provided by our suppliers as of the date of issue and on the regulatory requirements currently in force. Changes in legislation, regulatory interpretations, or supplier-provided information may require this statement to be amended or updated.
